

Minutes of the Atlanta Chapter of the American Society of Military Comptrollers (ASMC)

The general membership meeting luncheon of ASMC was held 15 September 2004 at the Commons, Fort McPherson..

The meeting was called to order at approximately 11:30 a.m. by President Mason. The invocation was given by MAJ Lund, Installation Management Agency's Chaplain.

The speakers were Ms. Sue Goodyear, FORSCOM, and Mr. Stan Klausner, FORSCOM. Slides are available of the presentations.

Ms. Goodyear presented an informative briefing on her Department of the Army, pentagon developmental assignment: GWOT Funding and other Things. According to Sue, FORSCOM has an excellent reputation at DA. The slides provide information on each of Sue's projects and the situational awareness of the Pentagon. It was noted that the presence of FORSCOM as a liaison at the Pentagon is needed.

Mr. Klausner's presentation highlighted the goals and strategies of the President's Management Agenda.

Meeting was adjourned by the president at 12:50.
